

Real Clubs. Real Opportunities.

MADRID MATCH TRIALS
August 2nd - 12th

Open to Players Worldwide aged 17 to 26

WELCOME

We know that not everyone is given the opportunity their talent deserves. We wanted to change that so in 2008 we created Premier Football UK to give players who believed in themselves the opportunity to show their ability to decision makers at professional clubs. Since then we've helped players from all over the world to beat the odds, have trials and win contracts. We want to do the same for you

If you believe you deserve a professional contract, that you are good enough to play in Spain, this opportunity is for you

ARE YOU READY TO TURN PRO?

This is not a soccer camp!!! If you're looking for fun and relaxation this is not for you. The Match Trials offer an intensive professional football experience that will develop your game, test your mental strength and identify areas where you need to improve

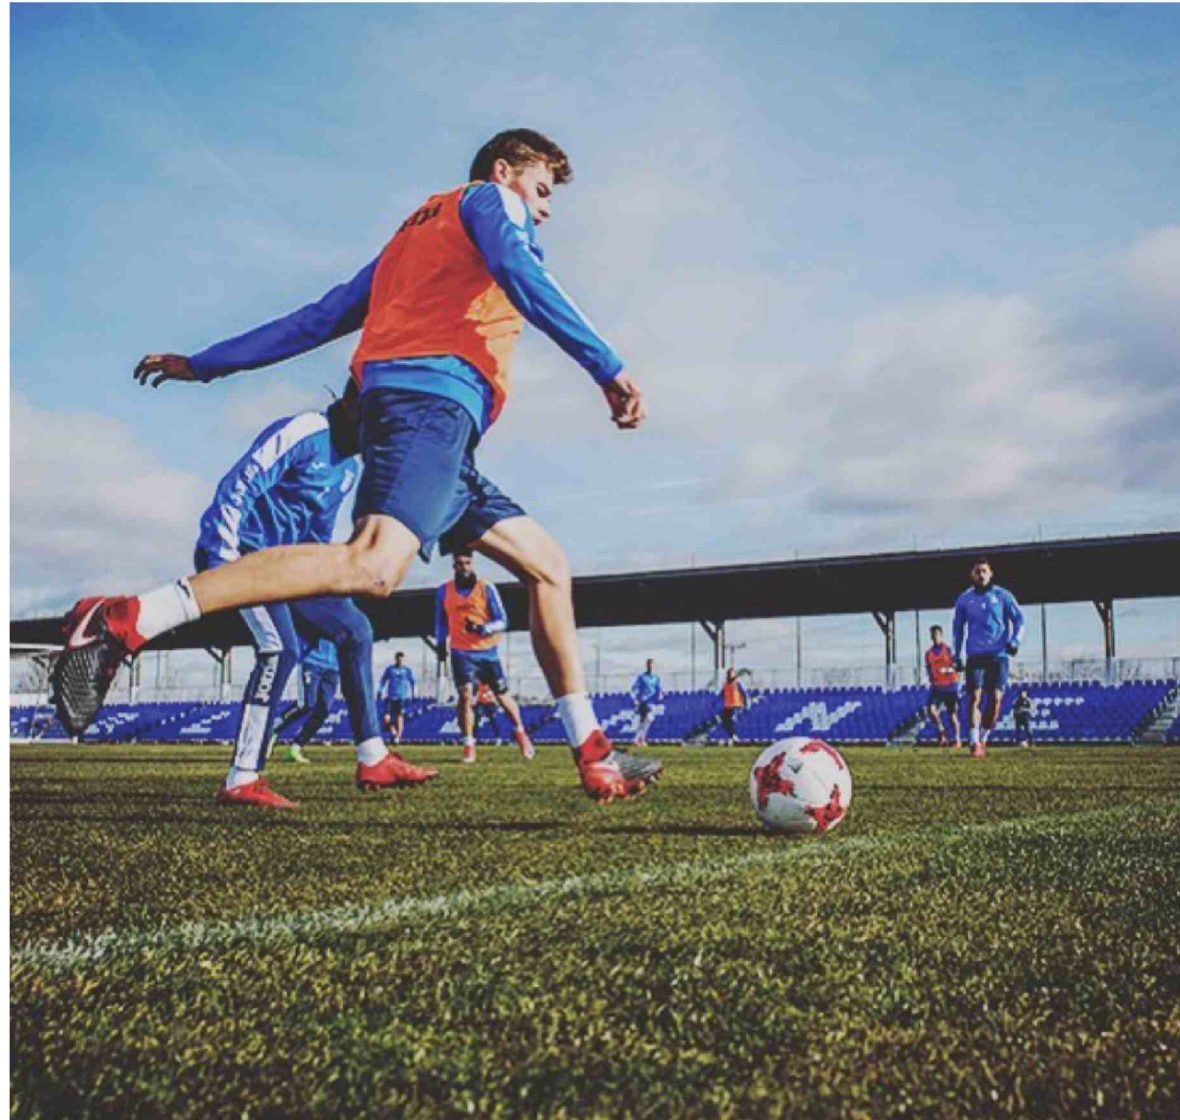

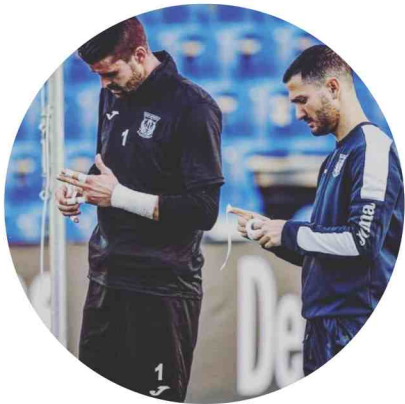

You will play in extremely competitive matches against some of the most talented footballers in Europe at your age. You will play in front of coaches and club representatives from some of Spain's leading clubs. Your objective is not just to become a better player but also to earn a professional contract

DO YOU HAVE WHAT IT TAKES?

The Match Trials are in the home city of European Champions Real Madrid, and La Liga clubs Atletico Madrid, Leganes and Getafe as well as a host of other clubs in Liga Adelante, Segunda B and Tercera Divisions.
